Give your child the gift of baseball with a holiday camp experience they won't soon forget! For **24 years**, Cincinnati Baseball School has offered the number one Christmas camp in the tri-state area by teaching the "CBS System" – a method of coaching the fundamentals of the sport, while providing a fun and memorable experience.

The **CBS System** takes the guesswork out of baseball instruction, helping young athletes build muscle memory and learn proper mechanics. The System player develops all of their tools – hitting, fielding, throwing, pitching, baserunning, and mental toughness & tactical strategies. Moreover, the CBS System is fun and engaging, designed to be relevant & accessible for even the youngest players. Campers: There will be plenty of live batting practice and a scrimmage game at the end of the session. **Sign up today!**
